Alpha Trivette (left) National President of the Future Farmers of America presents the American Farmer Degree to Phillip Bass Lucado of Appomattox. The American Farmer Degree is the highest degree of membership in the FFA. It was presented to 703 FFA members during the 48th National FFA Convention held in Kansas City, Missouri, Nov. 11-14.

American Farmer

Phillip Bass Lucado of Appomattox received the American Farmer Degree Nov. 13,1975 at special ceremonies held during the 48th National Convention of the Future Farmers of America, in Kansas City, Mo. He was one of the 703 FFA members selected to receive the American Farmer Degree, highest degree of membership in the FFA. As a holder of the American Farmer Degree, he joins a select group representing about one percent of all FFA members.

Phillip is the son of Mr. and Mrs. Lucado of Appomattox.

The American Farmer Degree is presented only by the National Organization of the Future Farmers of America to members who have demonstrated exceptional agricultural and leadership ability. State FFA Associations are permitted to submit candidates for the American Farmer Degree bases on total FFA membership in the state. The 703 members awarded the American Farmer Degree represent the highest achievement of more than 485,000 FFA members now enrolled in the nation's 7,838 high school vocational agriculture departments

FFA members begin as "Greenhands" and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer". The third degree, that of "State Farmer", is presented by the State FFA Association and is limited to no more than two percent of the State's FFA membership in any one year. Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

In addition to having earned the State Farmer Degree, candidates for the American Farmer Degree must have been active members of the FFA continously for at least three years. They must have a record of participation in local and state instruction offered in high school. American Farmer applicants must have earned at least $1,000 by their own efforts through their occupational experience program and must have their earnings productively invested or deposited in a bank. Finally, the American Farmer candidates must have demonstrated outstanding ability through their leadership and cooperation in student, chapter, and community activities.

Each American Farmer Degree recipient is presented a gold key and certificate by the Future Farmers of America. Recipients who attend the Convention are presented a check from the Future Farmers of America Foundation to help pay their travel expenses.

The National FFA Convention is an annual event of the Future Farmers of America and is carried out in cooperation with the U. S. Office of Education, of the Department of Health, Education, and Welfare. This year over 17,000 FFA members, vocational agriculture teachers, parents, and guests are taking part in the 48th National FFA Convention.

The Convention is conducted entirely by student members all between the ages of 14 and 21. The six National FFA Officers take charge of all business sessions and 119 official delegates represent the membership in voting on all issues of business.

In addition to the American Farmer Degree many other FFA awards are presented during the Convention. Contests are held in dairy, livestock, poulty, meats, horticulture, milk quality and dairy foods, public speaking and agricultural mechanics. Several guest speakers of national prominence address the Convention audience and entertainment is interspersed with the business. The Convention is the largest annual youth convention in the nation. It closes on Friday evening with the installation of six new National FFA Officers.

Put some jingle in Fidelity's 5% Christmas Club and have a good ole time.

Christmas is a good ole time. It's as pop in full of cheer, the tree is better than last year's, the kids are jumping up and down, the lights are bright, and even Christmas shopping is fun because you know your heart will soar when that special person opens that special package. But if you're jingle-less, that good ole time might not be so good after all. You can avoid a jingle-less Christmas simply by joining Fidelity's Christmas Club. You put a little jingle (or a little green) in weekly for fifty weeks, and we'll add five percent interest, on your paid up club, to your stockingful. And next year, when Santa's sleigh bells ring, you'll be listening. With cash.
